Interview Summary

Sir:

The undersigned spoke with Examiner Kovacek on January 22 and January 25 and authorized the following Examiner's amendment placing this case in order for allowance:

- 1) at the end of claims 1 and 11"; and the function usage tally is used as an index by the prompt selection module" will be added.
- 2) the language after wherein in claim 21 will be changed to "the function usage tally is used as an index by the prompt selection module for selecting a prompt in a database of prompts organized on a module by module basis".
